

HELLO

Creative Front End Developer

You're here!

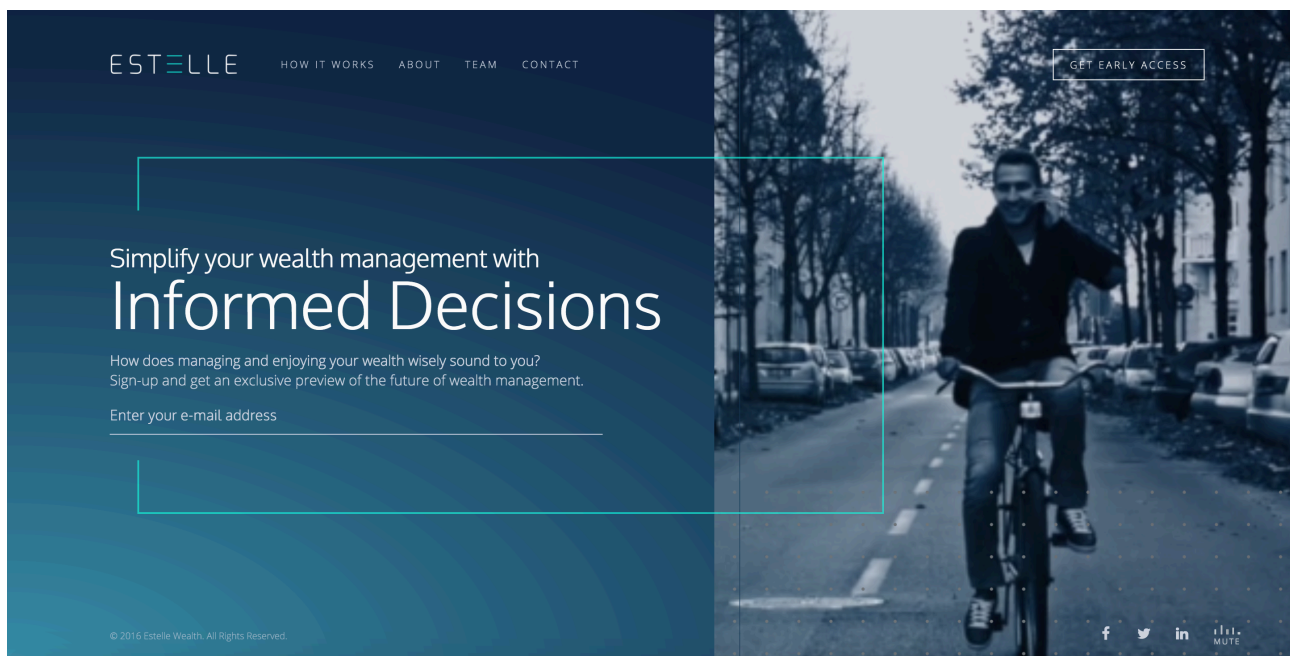

Yes! You downloaded and opened this word document. That's half the battle won!

Now all you've got to do is complete this assignment and email it to hello@madaboutdigital.co.in

Note: feel free to call **+91 98867 10593** in case you need any clarifications.

Let's get rolling

1. Convert the following website mockup into an HTML page

We've included a mock video "mock-video.mp4" which includes the animations and transitions that we would expect from you.

The rules:

- Front end frameworks (Bootstrap, Foundation, Boiler Plate) are NOT allowed
- We've included all the assets you would require - videos, images, loading GIF.
- We don't expect you to use any other assets, in terms of images or videos, apart from what is included.
- Use appropriate web fonts.
- **Timeline:** 3 Working Days

What You Will Be Scored On

- Appropriate use of HTML elements
- Naming semantics
- Grasp of CSS
- Grasp of keyframe animations
- Grasp of Javascript
- Clean code

W O O H O O !

You're done. Now just send this to us at the
following e-mail address
